

ALBERTA

GOALIE COACH SEMINAR

MAY 25

RED DEER

GOALIE COACH SEMINAR

Hockey Alberta is welcoming each Minor Hockey Association to send their local Goalie Leaders to the inaugural Goalie Coach Seminar, hosted in Red Deer on May 25. This opportunity is designed to help educate and support our multitude of goalie coaches as well as associations.

Those in attendance will learn technical and tactical strategies for both on-ice training as well as off-ice support based on Hockey Canada and Hockey Alberta philosophies. Associations will be given the tools to carry out best practices from Hockey Alberta that relate to supporting your goaltenders from the grassroots level all the way until the graduate from the Minor Hockey system.

The Inaugural Coach Seminar is a great way for goalie coaches to network and learn the creative coaching and association philosophies that can help goaltending in Alberta. Those in attendance will leave with new knowledge on various programs Hockey Alberta offers across the Province to MHA's (small & large), and connections to keep the passion and development growing into future seasons.

Hockey Alberta is encouraging each association to identify their goalie coach(es) and provide the resources for them to join this opportunity. It's a great way to grow your MHA, and say thank you to the hardworking volunteers and inspire those who contribute to local hockey.
