RED DEER

LEADING OUR LEADERS

Hockey Alberta would like to invite your association to attend our Development Leadership Weekend, June 22-23, 2019 in Red Deer, AB. This opportunity is designed to educate & train leaders within each Minor Hockey Association, providing them with tools and knowledge to bring back to their community. This weekend is a great way to network by learning and sharing with other associations across Alberta. Hockey Alberta encourages all associations to identify individuals and encourage them to take advantage of this opportunity. It's a great way to show appreciation to volunteers and invest in your association.

"It was an outstanding experience. Meeting the other delegates and sharing very similar experiences and struggles. The opportunity to learn and grow was immeasurable. A real positive experience."
